

International Day Against HIV/AIDS

. On the occasion of *International Day against HIV/AIDS*, Albanian Center for Population and Development and some other NGO-s were part of a workshop organized for this day. ACPD announced all the HIV/AIDS brochures. In a billboard we promoted all these materials. We participated Deputy Education Minister, and Deputy Of Labour, Social Affairs and Equal Opportunity Minister, etc. The national and local media announced this activity.

Also the branches of ACPD in Shkodra city (Trokitja Center) and in Vlora city (Aulona Center), organized some activity in the occasion. The activity was announced Aulona Center in Vlora organized an education and artistic activity with student of Vlora University. Were announced information and 2007 statistics publication for UNAIDS and WHO for Albania and especially for Vlora city. The activity was announced by a local media.

Trokitja Center in Shkodra city organized an awareness raising campaign with HIV/AIDS. Center members were divided in groups in the main streets and boulevard and distributed brochures and posters in memorial of this day.
